EXCHANGE PROGRAM OPPORTUNITIES FOR DLSU-D'S GLOBAL PARTNERS

1. ACADEMIC EXCHANGE

An exchange program where students from partner universities abroad take a short-term, one semester, or one full year course/s at De La Salle University-Dasmariñas. A short-term exchange runs from two weeks up to one month. On the other hand, a one-semester or one full school year exchange is a program where students are enrolled through a tuition-waived program as agreed through a learning agreement.

For faculty, he/she is given an opportunity to hold classes for a short-term to one full semester at DLSU-D. A team-teaching model is also covered by this exchange program.

2. LANGUAGE EXCHANGE

An exchange program where students from partner universities abroad take a short-term or a one-semester long English language course/s or any foreign language at De La Salle University-Dasmariñas through its Language Learning Center (LLC).

3. CULTURAL EXCHANGE

An exchange program where students from partner universities abroad take a short-term course on Filipino language and culture at De La Salle University-Dasmariñas. It is a specialized program based on the needs of the partner institution. Generally, the program includes special discussions on local language and culture with a component of cultural and historical tours.

4. MISSION EXCHANGE

An exchange program where students from partner universities abroad take a short-term or a one-semester long engagement at De La Salle University-Dasmariñas' Bahay Pag-asa – a facility that houses children in conflict with the law (CICL). The exchange students are given a programmatic immersion with a component of a volunteer work.

5. EXTENSION EXCHANGE

An exchange program where students from partner universities abroad take a short-term or a one-semester long engagement at De La Salle University-Dasmariñas' Lasallian Community Development Center (LCDC) – an extension and service-learning arm of the university. The students in this exchange program are given a programmatic exposure at the university's partner communities.

6. VIRTUAL EXCHANGE

An exchange program where DLSU-D students take a short-term or a one-semester long course/courses virtually provided by the university's partner institutions. Courses under this exchange opportunity cover language, culture, and other major academic domains.

7. RESEARCH EXCHANGE

An exchange program where students from partner universities abroad take a short-term or a one-semester long engagement at De La Salle University-Dasmariñas' University Research Office. The students are given the opportunity to conduct research activities with the guidance of the university personnel.
